COUNCIL MEMORANDUM NO. 92-50

FROM: Mayor Stein
DATE: May 7, 1992
RE: Police-Sales Tax Town Meeting

Because of the continuing concern over the local police and the rising rates of property tax, I am requesting that the Council schedule a special town meeting on these two issues.

As Council is aware, I support an October ballot proposition to consider the sales tax and a simultaneous cap on property tax.

I sincerely believe that there is both a problem with adequate police coverage and with total dependence on property tax.

I respectfully ask that Council schedule a town meeting to help gauge and discuss these related issues. Perhaps the first regular Council meeting in June would be appropriate.
