COUNCIL MEMORANDUM NO. 93-52

Date: June 11, 1993  
From: Mary Ellen Emmons, Librarian *ME*  
Through: John Stein, Mayor *JES*  
To: Wasilla City Council  
Subject: Wasilla Public Library Photocopier Proposal Selection

---

The Wasilla Public Library requested six proposals for purchasing a replacement photocopier with warranty/maintenance agreement for staff and public use.

Four bids were received.

Recommend that Council approve the selection of Alaska Business Systems as the vendor to provide a Mita DC-2556.

The details of the proposals were carefully reviewed, especially in regard to the proposal by a local business. Alaska Business Systems is able to provide our preferred specifications at significantly less cost than the other vendors.

Funds for this purchase are available from the FY'93 Public Library Assistance Grant from the Alaska State Library.
