COUNCIL MEMORANDUM NO. 93-62

From: Deputy Administrator

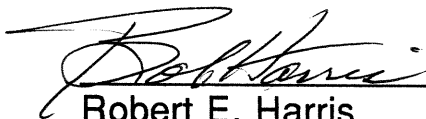

Date: July 7, 1993

Subject: Paving Cost Estimate - Spruce Avenue

Councilman Carney has requested that a proposal to obtain cost estimates to pave a portion of Spruce Avenue be brought forward for Council approval.

Spruce Avenue is considered an arterial road and therefore no assessments would be made. The portion to be paved is from Lucille Street to Wasilla-Fishhook Road. We reconstructed this portion of the road in 1984. Therefore, a cost estimate and the paving would be a relatively uncomplicated project.

If approved, funds for obtaining the cost estimate are available in the administration engineering budget.
