COUNCIL MEMORANDUM NO. 93-74

From: Deputy Administrator
Date: August 17, 1993
Subject: Senior Housing Well House

We received one bid for construction of the Senior housing well house and associated plumbing. The bidder is Sundance Construction, the company building the new Senior housing facility.

The amount of the bid is approximately \$6,000 less than the engineer's estimate. Sundance Construction will reimburse the City for costs incurred solely by oversizing required to accommodate fire flow to the new Senior housing.

Unanimous Council approval is required because only one bid was received. Recommend Council approval to award the bid to Sundance Construction in the amount of \$64,800.
