Re: Proposed Chapter 7.25 of the Wasilla code dealing with  
Abandoned, Stolen or Found Property

Attached you will find a draft ordinance that deals with the disposal of property seized or received by the Wasilla Police Department. At the present time the City of Wasilla has no ordinance to deal with property in the custody and control of the police department. In an effort to insure that we are able to clear the evidence locker on a regular basis and make use of some of those properties the attached draft is proposed.

If you have any questions or comments concerning the proposed ordinance, I am available at your convenience.
