COUNCIL MEMORANDUM NO. 93-89

From: Deputy Administrator
Date: October 7, 1993
Subject: Cold Storage Building

The fencing project at the city shop is completed with an unspent balance of \$8,245.00 left in the project budget.

The Public Works Department would like to invest the balance of the project budget on a new project to build a cold storage building for storing sand and other materials and equipment needing unheated storage.

Ordinance Serial No. 93-48 reappropriates the balance to the cold storage building project. Recommend that Ordinance Serial No. 93-48 be introduced and set for public hearing and action on October 25, 1993.
