### COUNCIL MEMORANDUM NO. 94-09

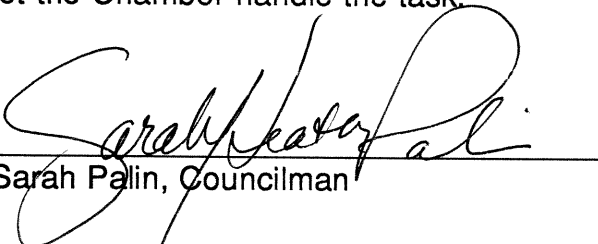

FROM: Councilman Palin  
DATE: February 23, 1994  
SUBJECT: Wasilla Brochure

I would like to recommend reconsidering our decision made on February 14, 1994 regarding financing the City of Wasilla promotion brochure.

After doing additional homework on the issue and talking to other municipalities, I have found it is much more cost effective and obviously much less time consuming for the City to contract out the task of creating the brochure to the Chamber of Commerce.

Having always been a supporter of the concept of the brochure, but having reservations as to the extent the City should monetarily contribute, studying the issue further has provided me answers.

I apologize for my initial obstinate objection to funding the full \$12,000.00. I encourage fellow Council Members to realize the benefits of getting this monkey off our backs and let the Chamber handle the task.
