### COUNCIL MEMORANDUM NO. 94-12

FROM: Mayor Stein  
DATE: March 9, 1994  
SUBJECT: Phase II Paving

There has been some interest shown on paving Dana Avenue. Before requesting Council to direct a survey of affected lots, Administration would like to get some preliminary engineering work done on what was in 1985 called Phase II Paving. This project included Dana and Nelson Avenues between Fishhook and Lucille, 1 ½ blocks of Knik Street and Paulson Avenue.

We would have costs developed for options ranging from strip paving to curb and gutter, street lights, etc. We would also identify proposed funding mechanisms.

John C. Stein, Mayor
