COUNCIL MEMORANDUM NO. 94-58

FROM: Clerk's Office
DATE: August 11, 1994
SUBJECT: Purchase of Additional Microphones

Council requested three additional microphones to be placed in the Council Chambers, two on the staff table and an additional microphone by the podium.

I contacted Aksala Company for a cost estimate to do this project. The project would include installation of three microphones, two power supplies, additional wiring and speaker deflectors at a cost of \$1,595.25.

If approved I will coordinate this work with the replacement of the existing podium so those microphones will be installed at the same time.

RECOMMEND: Authorizing the above listed work, FUNDING SOURCE: Council Contingency.
