**From:** Deputy Administrator  
**Date:** October 5, 1994  
**Subject:** Application for Residential Sewer Connection Assistance (Loan/Grant) Program

The City received an application on August 15, 1994 for sewer connection assistance from the owners and occupants of the residence located at 2040 Bailey Road, Lot 10, Block 2, Buena Vista Subdivision (Kevin C. Peterson).

This residential assistance application appears to qualify for participation in the Program as the residence is has been constructed and is currently being completed. The occupational activity allegedly occurred after the qualifying date for original sewer hook-up assistance and before the new sewer system was available for connections.

This application should have been presented at a recent Council meeting in conjunction with two other applicants (subsequently approved) but, was inadvertently misplaced.

Our average daily flow is currently below the DEC permit flow limits. We fully expect that this connection will only serve to make the system more efficient and will certainly not exceed the permit limitations.

The City has adequate funds remaining (\$15,000) in the Sewer Assistance Program.

If approved, this application qualifies as a Class I, Residential Assistance Grant, with 50% of eligible costs paid as a Grant by the City not to exceed \$8,000 (\$4,000 for outright grant and \$4,000 loan).

**Recommendation:** Council approval for a Class I, Residential Assistance Grant, to assist Mr. Kevin C. Peterson in hooking up to the City sewer system, with 50% of eligible costs paid as a Grant by the City not to exceed \$8,000 (\$4,000 for outright grant and \$4,000 loan).

Lee A. Wyatt  
Deputy Administrator

**APPROVED**
