### COUNCIL MEMORANDUM NO. 94-83

From: Mayor Stein  
Date: November 23, 1994  
Subject: Request for Street Light

Sherry Rasky of 1251 N. Pinecone Circle has requested that a street light be installed to illuminate the school bus stop at Pinecone and Ponderosa Loop. MEA has quoted \$2,446 to install the light. Some six children use the stop.

Because the \$5,000 appropriated for street lights has been nearly expended and the cost of this particular light is above average, we respectfully request allocation of \$2,446 from contingency funds to install the light. The City presently has 103 MEA flat-rate street lights in addition to 60 lights in the urban road district. Annual costs for the 103 MEA lights is \$23,000. Operating cost for this additional light will be \$110 per year.

John C. Stein, Mayor
