COUNCIL MEMORANDUM NO. 95-34

From: Mayor Stein
Date: April 19, 1995
Subject: FY96 Budget

Administration respectfully asks Council's patience in delaying the budget schedule to allow more time to prepare the budget documents.

Events have conspired to consume much of the budget preparation time normally available. Specifically the compensation-classification study debate and personnel issues were factors responsible for the delay.

Administration proposes that the budget introduction be delayed to a special meeting on Monday, May 1 to precede the budget worksession now scheduled on that day. Council is asked further to authorize a public hearing on the budget ordinance to be advertised for Monday, May 8 to bring the process back on schedule.

John C. Stein, Mayor
