COUNCIL MEMORANDUM NO. 95-61

From: Deputy Administrator
Date: June 19, 1995
Subject: **BID AWARD - LUCILLE/NELSON INTERSECTION UPGRADE
CIP PAVING PROJECT**

The City has advertized and received bid proposals for the reconstruction and paving of the intersection of Nelson Avenue and Lucille Street, including short sections of each street.

We received two (2) bids. A low of \$233,518 to a high of \$246,626. The Engineer's construction cost opinion is \$239,851. The low bid is about 2-1/2 % lower than the Engineer's opinion of construction cost.

The INFORMATION FOR BIDDERS section of the RFP states: "Award will be made to the lowest responsible BIDDER".

Recommendation: Council approval for Administration to proceed with awarding a contract to the apparent low bidder, Wilder Construction at the low bid package price of \$233,518.00 - **PENDING** Further verification of the apparent low bidder's bid proposal qualifications in order to satisfy that portion of the INFORMATION FOR BIDDERS which states "to the lowest responsible BIDDER".
