As seasonal construction time is of the essence, the City has advertized for bid proposals for a construction contract to: "Replace the existing septic tank and lift station with new 12,000 gallon facility, including associated civil, mechanical, and electrical work" within the Carrs Wastewater Improvement Project.

The BID OPENING is scheduled for "Monday the 11th day of September @ 1:30 PM".

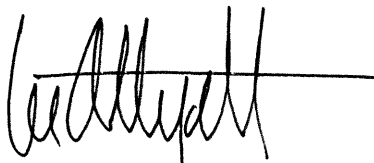

We received _____ bids ranging from a low of \$ _____ to a high of \$ _____. The Engineer's construction cost opinion is \$ _____.

Ordinance Serial No. 95-34 appropriates \$33,100.00 for this project, and Ordinance Serial No. 95-44 appropriates \$15,850.00 to the Sewer Revolving Loan Fund to provide a total of \$48,950 (please see CM 95-47, CM 95-65, Ordinance 95-34 and Ordinance 95-44).

The specifications state: "Award will be made to the lowest responsible BIDDER".

As the bids are not available at this writing the Council is respectfully requested to consider this request, with bidding information to be provided, at the regularly scheduled meeting of the Council, Monday evening, September 11, 1995.

Recommendation: Council approval for Administration to proceed with awarding a contract to the apparent low bidder, _____, at the low bid package price of \$ _____ - **PENDING** - further verification of the apparent low bidder's bid proposal qualifications in order to satisfy that portion of the INFORMATION FOR BIDDERS which states "to the lowest responsible BIDDER".
