COUNCIL MEMORANDUM NO. 95-98

From: Mayor Stein
Date: December 6, 1995
Subject: Citizens' Request for New Ballfields Design

Steve Glos and Patricia Hefferan, representing Allsports Log Cabin Association, have asked that the present design to add 23 ballfields be redone to reduce the number of play fields and provide for greater buffers and more natural areas including trails for equestrian, dog mushing, skiing and other uses.

They further ask that the City commission Burt Lent to do a revised plan using our existing base information and provide a colored display rendering. Mr. Lent estimates the cost of that work to be about \$3,800. Cost of the first plan was \$4,400 not including the perspective drawings.

Council is respectfully asked to consider the Allsports request and direct staff.

John C. Stein, Mayor
