COUNCIL MEMORANDUM NO. 96-09

From: Mayor Stein
Date: January 17, 1996
Subject: Drug and Alcohol Policy 95-03
Personal Vehicle Searches

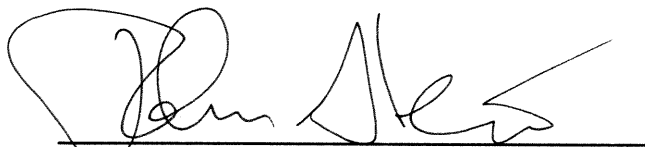

Some employees have taken exception to the provision in the new drug and alcohol policy which obligates the employee to submit to a personal vehicle search (p.5 L.1).

Council is respectfully asked to reconsider the search issue and either:

- (1) confirm the existing language and search policy;
- (2) delete L.1. to remove the obligation of the employee to submit to a personal vehicle search; or
- (3) substitute replacement language for L.1. proposed by Attorney Deuser which sets forth more specific conditions for a possible search.

Ron Stocker says federal or state laws do not require the search policy. The policy is as a deterrent to keep drugs and alcohol away from the workplace.

Resolution 96-03 Alternates A and B are attached for your consideration.

John C. Stein, Mayor
