### COUNCIL MEMORANDUM NO. 96-107

FROM: Clerk's Office  
DATE: December 5, 1996  
SUBJECT: 1997 Liquor License Renewal Review

---

In accordance with Council Policy Statement No. 95-03, the Clerk's Office began its review of liquor establishments up for renewal. AS 04.11.480 also allows the local governing body to protest the continued operation of a license during the second year of the biannual license period. With this in mind, a report of the findings is attached of all establishments within the City limits of Wasilla.

Departments completed their review on November 18, 1996 and submitted their findings to the Clerk's Office. Letters have been sent to all establishments notifying them of any problems.

Follow up calls will be made as renewal applications are received by the City of Wasilla.

Recommend a letter of non-objection be submitted to the ABC Board for establishments with no violations, and letters of objection be submitted to the ABC Board for establishments with violations with a letter of withdrawal once violations are cleared.
