### COUNCIL MEMORANDUM NO. 96-20

**FROM:** Clerk's Office  
**DATE:** February 21, 1996  
**SUBJECT:** ADA Architectural Site Analysis

---

In order to determine the full extent of what needs to be done to City Hall to bring it into compliance with the American Disabilities Act, an architectural site analysis must be prepared. The cost for the site analysis will run between \$4,000 and \$6,000.

Funding is available in the Council budget, Office Equipment, 411.5301 for the Electronic Voting Equipment.

I request Council authorize me to solicit from 3 architectural firms to prepare an ADA Architectural Site Analysis, and the funding in 411.5301 scheduled for the electronic voting equipment be redirected for this purpose.
