COUNCIL MEMORANDUM 96-63

From: John T. Felton, Public Works Director/City Engineer

Date: June 19, 1996

Subject: Bid Report and Recommendation for FY97 Road Maintenance Equipment Rental Contract.

The City received two sealed bids for providing Road Maintenance Equipment Rental for Fiscal Year 1997. Both bids were timely and in the proper format; therefore, they were opened and read aloud as prescribed in the Bid documents.

The first Bid was from Rappe Excavating in the amount of \$59,250.00. There were no irregularities noted with this bid.

The second Bid was from Steppers Construction, Inc in the amount of \$71,935.20. There were no irregularities noted with this bid.

RECOMMENDATION:

The Public Works Department recommends that the Council declare Rappe Excavation as the lowest responsive Bidder for the FY 97 Road Maintenance Equipment Rental Contract and authorize the Administration to enter into a contract for these services for \$59,250.00. Rappe has the present contract and has been providing excellent service to the City.

Public Works Director/City Engineer
