COUNCIL MEMORANDUM

NO. 97-03

FROM: Councilwoman Patrick
DATE: January 3, 1997
SUBJECT: Southview Driveway Paving

During the course of Southview paving, the access to Don Tanner's lot (Block 2, Lot 13) was removed. While Mr. Tanner protested to the city, he was informed that since he did not have what they classified as a driveway he did not receive a culvert, and in fact now has a ditch instead.

I recommend that the city department of public works place a culvert in the ditch at the location of the previous access to Lot 13, Block 2, and place enough fill material i.e. gravel, to allow access to the lot as before.

The work shall be completed by June 30, 1997.

Judy Patrick, Councilwoman
