

**SUBJECT: Purchase of 8 Cubic Yard End Dump with Sanding Unit/Belly Blade**

PREPARED BY: PWD Roads Division

DATE: 1/19/98

FOR AGENDA OF: January 26, 1998

**SUMMARY:**

During FY98 C.I.P. appropriation, funding approval of \$140,000 was made for the purchase of a new dump truck to be utilized in the Public Works Department. Our City Code WMC-6.124.020 B. provides our purchasing agent with the authority to join with other units of government in cooperative purchasing ventures as long as the competitive bid process is maintained. Therefore, we have utilized the State of Alaska Department of Transportation and Public Facilities Bid # Sef-501 & Sef-516 for the purchase of this equipment.

Trailer Craft, Inc. was awarded both the above bids and Public Works has negotiated with Mr. John Buck, sales representative for Trailer Craft, Inc. with minor changes. The basic truck package that is the engine, transmission and running gears will not be affected. However, some changes in the accessories were made which enabled us to cut the actual State bid price by \$8,400.

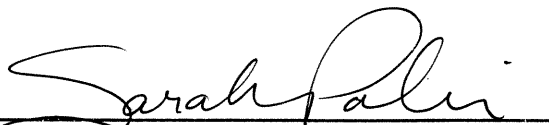

Bid breakdown as follows:

Sept/Dec 97 SEF-501 Lot 1	\$181,000
Jan 98 SEF-516-1B. #217	\$152,426
Actual Negotiated Amount	\$144,025

**FISCAL IMPACT:**  No  Yes

Amount appropriated FY98	\$140,000	Fund:04-491-5009
FY98 Budget	\$4,025	Fund:01-431-5001

**RECOMMENDED ACTION:** Award purchase contract to Trailer Craft, Inc. The \$4,025.00 will be transferred from account 01-431-5001 - Equipment Purchase.
