

**SUBJECT: Award of Contract for Engineering and Construction Management Services for Wasilla Airport Paving Project**

PREPARED BY: Public Works

DATE: 07/20/98

FOR AGENDA OF: July 27, 1998

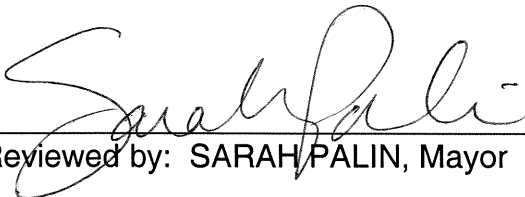

**SUMMARY:**

The City of Wasilla had seven responsive proposals for design and management services. This project is subject to receipt of funding of a Federal Aviation Administration Airport Improvement Program (FAA -AIP) grant.

USKH was selected on the criteria established by ADOT/PF form 25A270 and not on the amount of the proposal. Fee will be paid by FAA grant.

<b>FISCAL IMPACT:</b> <u>X</u> No ___Yes, amount requested: \$	Fund:
Phase I: Design services, FAA grant coordination, geotechnical investigation, land survey and permitting	\$132,199.00
Phase II: Construction management services including FAA grant coordination, FAA project cost accounting and construction material testing.	\$135,800.00
