Dear Mayor Palin:

This past year has been exciting and informative in terms of Planning and Economic Development for the City of Wasilla. I have had the opportunity to participate in many development issues such as the development of the Trails Plan, the rezone for The Nature Conservancy property, and the site selection for the public safety facility, just to name a few. It has been an honor to represent the constituents of the City of Wasilla and I respectfully request the opportunity to continue to do so. Please accept this letter as my formal request to remain Planning Commissioner, Seat F, thank you.

Sincerely,

Raymond McCarthy
Planning Commissioner, Seat F
