RE: WASILLA'S Y2K AND 25TH ANNIVERSARY CELEBRATION

In observance of the year 2000 millennium and the city of Wasilla quarter of century anniversary, the Wasilla Parks and Recreation Commission requests support of the council and from the City of Wasilla by allocating \$25,000.00 for the greatest fireworks display the city has seen, and \$5,000.00 to the Wasilla Chamber of Commerce to put toward event promotion.

According to Griz Fireworks, Anchorage is spending \$150,000.00, Fairbanks \$50,000.00 to \$75,000.00 and Alyeska \$25,000.00. Time is of the essence for this once in a lifetime celebration, so we need to act immediately in order to insure fireworks are available and to get a certified pyrotechnician to put on a display of this magnitude.

The Wasilla Parks and Recreation Commission would appreciate your support.

Thank you
