

SUBJECT: Award of Susitna Avenue Street Improvements Construction Bid

PREPARED BY: Mike Kriebel, ^{mk}Project Administrator

DATE: July 12, 1999

FOR AGENDA OF: July 12, 1999

SUMMARY: Council Memorandum 99-41 needs to be amended to reflect new information. Public Works is now recommending that the construction contract be awarded to Summit Paving.

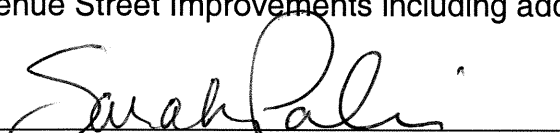

DISCUSSION: The July 6th Council Memorandum 99-41 recommends that the Council award the construction contract for this project to Alaska Contractors Elite, Inc.

On July 8, Alaska Contractors Elite, Inc. approached Public Works with information about the offered bid. Based on that financial information, Public Works determined that the bid should be rejected. Today, the contractor submitted a letter (attached) to the City stating that the contractor did not object to the City rejecting the bid.

Therefore, Public Works recommends that the bid be awarded to the next lowest bidder Summit Paving in the amount of \$539,932.00. (This amount slightly differs from the amount shown in CM 99-41 due to addition errors in Summit's bid that was discovered when the project engineer performed the bid tabulations.) This amount is under the engineer's project cost estimate.

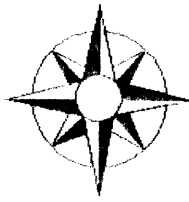

RECOMMENDED ACTION:

For Council to accept the Summit Paving, Inc., bid (\$539,932.00) for the Susitna Avenue Street Improvements including additive alternates A, B, and C.
