Section 6. Compensation.

A. Subject to the provisions of this Agreement, the City shall pay the Consultant a total sum for all services and expenses for the term of this Agreement not exceeding the sum as set forth in Appendix "B," attached hereto and incorporated herein by reference, for services required by this Agreement.

B. Travel or per diem required for the performance of services pursuant to this Agreement shall be subject to Appendix "B."

C. Except as otherwise provided in this Agreement, the City shall not provide any additional compensation, payment, use of facilities, service or other thing of value to

the Consultant in connection with performance of Agreement duties. The parties understand and agree that, except as otherwise provided in this section, administrative overhead and other indirect or direct costs the Consultant may incur in the performance of its obligations under this Agreement have already been included in computation of the Consultant's fee and may not be charged to the City.

Section 7. Method and Time of Payment.

A. The City will pay to the Consultant the amount set forth in Appendix "B" which shall constitute the full and complete compensation for the Consultant's professional services. That sum will be paid on receipt of billings submitted pursuant to a schedule set forth in Appendix "B". If not identified within Schedule "B", normal billing cycle is 30 calendar days from receipt of an approved invoice. A billing is a summary of expenditures to date by line item categories (e.g., Personal Services, Travel, Contractual, Commodities and Equipment). Documentation of expenditures need not be submitted with billings but must be retained by the Consultant in the event the City requests said documentation.

B. No payment will be disbursed until the completed task and the City has approved associated expenditures.

Section 8. Termination of Agreement for Cause. If, through any cause, the Consultant shall fail to fulfill in a timely and proper manner the obligations under this Agreement or if the Consultant shall violate any of the covenants, agreements, or stipulations of this Agreement, the City shall thereupon have the right to terminate this Agreement by giving written notice to the Consultant of such termination and specifying the effective date thereof, at least five (5) days before the effective date of such termination. All finished or unfinished documents, data, studies, surveys and reports or other material prepared by the Consultant under this Agreement are the property of the City and shall be delivered to the City by or upon the effective date of termination. The Consultant shall be entitled to receive compensation in accordance with the payment provisions of Appendix "B" of this Agreement only for work completed to the City's satisfaction in accordance with Appendix "A" of this Agreement and the other terms of this Agreement.

Section 9. Termination for Convenience of City. The City may terminate this contract at any time by giving written notice to the Consultant of such termination and

specifying the effective date of such termination. The Consultant shall be entitled to receive compensation in accordance with the payment provisions of Appendix "B" of this Agreement only for work completed to the City's satisfaction in accordance with Appendix "A" of this Agreement and the other terms of this Agreement. If this Agreement is terminated due to the fault of the Consultant, Section 8 of this Agreement shall govern the rights and liabilities of the parties.

Section 10. Causes Beyond Control.

In the event the Consultant is prevented by a cause or causes beyond control of the Consultant from performing any obligation of this Agreement, non-performance resulting from such cause or causes shall not be deemed to be a breach of this Agreement which will render the Consultant liable for damages or give rights to the cancellation of the Agreement for cause. However, if and when such cause or causes cease to prevent performance, the Consultant shall exercise all reasonable diligence to resume and complete performance of the obligation with the least possible delay. The phrase "cause or causes beyond control," as used in this section, means any one or more of the following causes which are not attributable to the fault or negligence of the Consultant and which prevent the performance of the Consultant: fire, explosions, acts of God, war, orders or law of duly constituted public authorities, and other major uncontrollable and unavoidable events, all of the foregoing which must actually prevent the Consultant from performing the terms of the Agreement as set forth herein. Events which are peculiar to the Consultant and would not prevent another Consultant from performing, including, but not limited to financial difficulties, are not causes beyond the control of the Consultant. The City will determine whether the event preventing the Consultant from performing is a cause beyond the Consultant's control.

Section 11. Modifications.

A. The parties may mutually agree to modify the terms of the Agreement. Modifications to the Agreement shall be incorporated into the Agreement by written amendments.

B. It is expressly understood that the City may require changes in the scope of services and an unreasonable refusal by the Consultant to agree to modification in the scope of services will be the basis for termination of the Agreement for cause. It is expressly understood that the total amount of compensation for successful performance of the Agreement will not be modified, under any circumstances, without prior written approval of the City.

Section 12. Equal Employment Opportunity.

A. The Consultant will not discriminate against any employee or applicant for employment because of race, color, religion, sex, national origin, physical handicap, age,
