PREPARED BY: Public Works

DATE: December 4, 2000

FOR AGENDA OF: December 11, 2000

SUMMARY: CH2MHill has conducted engineering services for Phase A of the Septage Facility Improvements. The Phase B bid package needs to be completed to continue with the project. CH2MHill is proposing a final contract to finish the project, that includes completing the phase B design, providing services during construction and as-builts phases A & B, providing programming of PLC and control software, and providing an O&M Manual with 2 days of training for staff.

DISCUSSION: This project was originally designed in one phase. Since funding was insufficient to complete in one phase, the project was divided into two phases. The following is a summary of the tasks needed to complete the project:

- 1) Services for Phase B Design and Bid/Permitting Assistance \$70,000
 - 2) Services During Construction \$52,000
 - 3) Programming of PLC and Control Software \$46,200
 - 4) O&M Manual with 2 days of Training \$14,600
- Total \$182,800

FISCAL IMPACT: X Yes, amount requested: \$182,800
Fund: 31.55.591.860.36

RECOMMENDED ACTION: : Award Of Professional Services Contract To CH2MHill, In The Amount Of \$182,800, To Complete Engineering Design, Provide Services During Construction, Provide Programming And Control Software, And To Provide O & M Manual With Two Days Training For The Septage Facility Improvements.
