

SUBJECT: Contract Award to USKH, In The Amount of \$40,000 for the Design of the Tommy Moe-Iditapark Storm Water System.

REQUESTED BY: Public Works

PREPARED BY: Public Works

DATE: May 7, 2001

FOR AGENDA OF: May 14, 2001

SUMMARY: The Tommy Moe-Iditapark Storm Water System is intended to divert DOT storm water entering Lake Lucille to Iditapark, and to eliminate flooding that occurs at Tommy Moe Drive. The storm water will be treated before it is discharged into the park for groundwater recharge. This project is the first of several Storm Water Pump and Treat Systems that will be used throughout the City using grant funds.

DISCUSSION: USKH was selected for this project design based on their local knowledge and their previous success in designing storm water systems. This contract award is intended to provide engineering design and bid ready documents for construction this summer.

FISCAL IMPACT: ___No XYes, amount requested: \$ 40,000.00
Fund: 11-55-477-845-02 Storm Water Facility

RECOMMENDED ACTION: Council is requested to authorize the contract award to USKH in the amount of \$40,000 for the design of the Tommy Moe-Iditapark Storm Water System.
