**SUMMARY STATEMENT:**

We are through the initial phases for our public meetings of the Wasilla Airport Masterplan. Comments were received from the public and reviewed by city staff along with the consultant. After review with the airport advisory committee we developed the apparent preferred alternative to present to council for further action. The apparent preferred alternative is a combination of alternatives 2A and 3A as attached. We are now before you to request your approval of this attached plan to request the public for additional comments and proceed with the required Environmental Assessment (EA).

**STAFF RECOMMENDED ACTION:**

Approval of Wasilla City Council accepting the combination of alternatives 2A and 3A as the apparent preferred Wasilla airport masterplan and requesting to proceed with the required Environmental Assessment (EA).
