If yes, amount requested: \$49,800 Account No.: 32-55-691-865-06

SUMMARY STATEMENT: Raven Engineering has been selected to prepare a design and bid ready documents for the Bumpus Water Transmission Main. The estimated amount for this work is \$49,800.

Public Works recently advertised for this engineering service and evaluated proposals last week. Raven Engineering provided the best proposal and was selected to conduct the design and oversee construction of the project later this year. The construction administration contract with Raven Engineering will be presented for council approval later this year. The transmission main is the first phase of constructing a new water source and storage tank at Bumpus Ballfields.

STAFF RECOMMENDED ACTION: Council is requested to authorize the contract amendment in the Amount of \$49,800.
