**WASILLA CITY COUNCIL MEMORANDUM**

**CM No. 02-28**

**TITLE: Contract Award to Hattenburg & Dilley in the Amount of \$24,600 to conduct Preliminary Engineering for Church Road South.**

**COUNCIL MEETING DATE: June 10, 2002**

ADMINISTRATION INITIAL: *sf*

REQUESTED BY: Public Works

PREPARED BY: Public Works

Date Prepared: June 3, 2002

---

**FISCAL IMPACT: YES**

If yes, amount requested: \$5,000 in FY02 and \$19,600 in FY03  
Account No.:11-55-475-831-12

**SUMMARY STATEMENT:** Scott Hattenburg is currently working on the plat that will establish the new Church Road South right-of-way. The existing right-of-way runs west to the airport. The new right-of-way alignment will promote a future Mack Road extension as the primary route for through traffic, while maintaining an airport access route west. This contract will allow preliminary engineering to be completed that is necessary to modify the existing Church Road South wetlands permit for road construction later this summer.

**STAFF RECOMMENDED ACTION:** Council is requested to authorize the contract award to Hattenburg & Dilley in the Amount of \$24,600 for Church Road South Preliminary Engineering.
