SUMMARY STATEMENT: Travel to Washington DC for city lobbying efforts has been scheduled for April 2003. Currently travel arrangements for the mayor, deputy mayor, and public works director have been made.

At the last city council meeting Council Members Lowe and Sullivan-Leonard expressed their interest in traveling to Washington. Currently the council travel budget has funds to cover expenses for one council member to travel. There is however sufficient funding in council contingency to cover expenses for additional council members to travel although a delegation of no more than four total from the city is recommended for the April 2003 lobbying visit to DC.

Direction from the council is requested so that final travel arrangements may be made.

STAFF RECOMMENDED ACTION: The following options are presented for consideration:

1. I move for Council Member xxx (insert name) to travel to Washington DC with the mayor and public works director in April 2003 to assist in lobbying efforts for the city of Wasilla. Funding will come from the council travel budget.
2. I move for Council Members ~~xxx and xxx~~ ^{Sullivan-Leonard} (insert names) to travel to Washington DC with the mayor, and public works director in April 2003 to assist in lobbying efforts for the city of Wasilla. Additional funding is authorized from council contingency.
