**FISCAL IMPACT: YES**

If yes, amount requested: \$7,792

**SUMMARY STATEMENT:** This contract amendment is for a second bore flush on the transmission main that was installed by Wilder Construction. The initial bore flush by Wilder was conducted using City pressure from the Parks Highway, that produced minimal flow uphill from the Parks Highway. With pressure from the new reservoir, a second bore flush insures the transmission main is clean before the reservoir is used.

**STAFF RECOMMENDED ACTION:** Council is requested to authorize the contract amendment for Rockford Corp. in the Amount of \$7,792 for the Bumpus Reservoir Facility.
