SUMMARY STATEMENT: This authorization is to renew to City Inspector position as a contract employee. The position was converted from a temporary position to a contract position last year to allow the position to be available greater than 6 months per year. A contract position is required to be authorized by City Council annually.

The contract amount is based on \$30 per hour rate which is a substantial savings to hiring an engineering firm with inspection services between \$60-\$75 per hour. This position is funded against the capital projects with approved CIP funding. The proposed amount is based on a potential of 9 months of work with benefits and overtime on an as needed basis.

STAFF RECOMMENDED ACTION: Council is requested to authorize the contract for a city inspector in the amount of \$65,000 for the remainder of FY05 and through part of FY06.
