SUMMARY STATEMENT: Public Works advertised for an Electrician term contract in August 2005. This was bid for services not to exceed \$30,000. Public Works has since utilized this contract to the maximum amount. Public Works is seeking an extension in the amount of \$12,000 through the end of the fiscal year, at which time the contract will

be re-bid. It is noted that this does not preclude the use of other electricians in the mean time; in fact, other vendors are doing several small projects at this time.

STAFF RECOMMENDED ACTION: Council is requested to authorize the contract amendment to Alaska Advanced Electrical in the amount of \$12,000 for on-call electrician services.
