**SUMMARY STATEMENT:**

Wasilla High School will be hosting the State High School Hockey Tournament for both small and large schools in the years 2008, 2009 and 2010 at the Wasilla Multi-Use Sports Complex. The hosting of this tournament will be a great economic boost to the economy of Wasilla. Many hotels, eating establishments and business will benefit from the team and spectator staying in the area.

Wasilla High School will need to raise \$6,000 per year to pay for ice time per year and raise additional funds for other needed expenses associated in planning a tournament of this size.

In the current budget year, the City Council has unexpended funds in their travel budget. Council Member Menard would like the City Council to consider funding \$3,000 from these unexpended funds to the Wasilla High School to assist them in planning the 2008 State High School Hockey Tournament.

**ACTION: Donate \$3,000 to the Wasilla High School, from the City Council Budget, to assist in the planning of the 2008 State High School Hockey Tournament.**
