Capital Purchase – Public Works Vehicles

Attachments: State of Alaska Class 162 Order Sheets

SUMMARY STATEMENT: This is a state contract vehicle purchase from Nye Frontier Ford of three new Public Works vehicles as was approved in the FY08 Wasilla Department of Public Works vehicle fund budget. The vehicles will be equipped and priced as follows:

Two (2) – 2008 Ford F350 Regular Cab Single Rear Wheel Drive (SRW) 4x4 pickup White in color, bench seat, 6.4L-V10 gas engine, automatic transmission, 4-wheel ABS, AM/FM radio, block heater, remote start, snowplow prep package, Blizzard 860SW snowplow. \$26,303.00 each

One (1) – 2008 Ford F350 Regular Cab Single Rear Wheel Drive (SRW) 4x4 pickup White in color, pickup bed delete, Omaha 96V service body, Class V trailer tow package, 6.4L-V10 gas engine, automatic transmission, 4-

wheel ABS, AM/FM radio, block heater, remote start, snowplow prep package, Blizzard 860SW snowplow. \$32,539.00

Approval of this Action Memorandum will authorize the purchase of three new F-350 pickups which are replacements for three existing fleet vehicles that are at least twenty (20) years old (1977 Dodge pickup, 1983 Ford pickup, and 1987 Dodge cargo van). The new pickups will have snowplows so that they can be utilized for plowing City parking areas, roads and driveways during the winter.

Per the State of Alaska State Equipment Fleet (SEF) policy, "SEF maintains contracts with several light duty vendors in Alaska. Each of these vendors supplies pricing for basic vehicles with additional cost for added options. SEF uses the pricing data listed to select a vendor for each individual vehicle purchase. The vendor who provides the vehicle at the lowest price will be awarded the purchase order." Per the attached 2008 vendor pricing list for Class 162 (1-ton regular cab, SRW, 4x4 pickup), Nye Frontier Ford was the low cost bidder. Upon verbal review with Ron Eastman, Alaska Sales and Service and Steve Johnson, Chevrolet of Wasilla, neither vendor was able to meet or beat the SEF price.

A thorough search was conducted to locate three similar low mileage, good condition vehicles on the used market; however, none could be acquired for a dollar amount that was less than the SOA new vehicle equipped contract price.

STAFF RECOMMENDED ACTION: Council is requested to authorize the contract award for the purchase of three (3) new Department of Public Works vehicles from Nye Frontier Ford in the amount of \$85,145.
