A. Sandy Sumner; Museum of Alaska Transportation and Industry; Mrs. Sumner reported on the Wasilla Air Show. She reported that the air show was a great success. They estimate the total number of spectators to be 3,000. There was support throughout the entire Valley for the air show, and M.A.T.I. is beginning to solicit sponsorship for next year. One of the only negative responses to the event was the requirement to ride the shuttle buses. In order to make it as convenient as possible, shuttle service was provided from seven different locations, and the major usage came from Wasilla Wonderland. The financial short fall from the Air Show is \$10,545.78, and that is from the shuttle service. On behalf of the Museum of Alaska Transportation and Industry, Mrs. Sumner requested financial aide from the City of Wasilla to help with the short fall.
