INFORMATION MEMORANDUM NO. 90-08
COOK & HAUGEBERG
REFERENCE CHECK LIST

ORGANIZATION	NAME/TITLE	PHONE #
City of Fairbanks	Bob Wolting, Finance Director	459-6715

"They are very fine and upstanding. In 1987 they kept information for the G.F.A. and we made it on the first try. We have a 90 day time frame and they have always been on time."

Fairbanks Municipal Utilities	Virgil Gillespie, Manager	459-6715
-------------------------------	---------------------------	----------

"I think very highly of them. This is their third year on this contract and we have had them before. Mr. Cook has lived here all his life. Asked if they completed reports on time and the answer was YES!!! They are very good to work with and they keep you informed. They were called in for the North Slope Borough indictment. If you select them I'm sure you will be pleased."

Fairbanks North Star Borough	Judy Slajer, Finance Director	452-4761
------------------------------	-------------------------------	----------

"They are great!! They have been here for two years. The Project Manager does an excellent job. He does status reports on how the audit is going. He has a good relationship with elected officials and puts things in layman language. He is current on IRS Codes. He has a lot of credibility with the Assembly. The staff are good and all have good communication skills. Recommend the contract be explicit as to what is under audit and what is not. Also have things ready for them when audit time arrives."

Fairbanks North Star Borough School District	Rick Cross, Superintendent	452-2000
---	----------------------------	----------

"They have been with us for two years and are very professional. They don't let you get away with anything. They don't interfere with the workers and are very thorough. They do a fine job and are on time."

Morris Matthews, Councilman
