INFORMATION MEMORANDUM NO. 90-25

TO: Council  
FROM: Mayor Stein  
DATE: August 31, 1990  
RE: Selina Lane Extension

I met with Mr. Clyde Boyer on August 30, 1990 and discussed the progress of the Selina Lane extension to Hallea Lane. Mr. Boyer and his neighbor Mr. O'Neill have granted the City road easements to serve Lots 1 and 2 in the Snider Subdivision. Both Boyer and O'Neill appear to be willing to amend their easements to correspond to the approved right-of-way.

Lots 1 and 2 and other lots in the Snider Subdivision were promised that a "Borough standard" road would be constructed parallel to the sewer line as consideration for their granting an easement to the City. The eastern portion of that road, Selina Lane, has been constructed and the City has been authorized to begin valuation of contested rights-of-way on the western extension, intersecting Hallea Lane.

Mr. Boyer specifically requested the City to continue its efforts to complete this project so that legal physical access can be provided to his property and so the City's agreement to build the road will be fulfilled.
