INFORMATION MEMORANDUM NO. 90-30

TO: Council
FROM: Mayor Stein
DATE: November 8, 1990
RE: State Legislative Lobbyist

It has been suggested that the City of Wasilla join with other Valley governments to retain a lobbyist for the 1991 legislative session. Such an arrangement would provide representation for the City at a cost less than for an individual lobbyist.

The City has not in recent memory utilized the services of a lobbyist. The Mayor makes two or three trips a year to Juneau during the session. The "lobby" budget in the Mayor's department is \$500.00. Travel expenses are budgeted separately.

No recommendation is made with respect to lobbying efforts next year. This concept is offered for consideration only. Council may wish to discuss the City's relationship to the legislature after the Municipal League meeting.

John C. Stein, Mayor
