RE: Tourism Promotion Grant

Dear Erling,

The City of Wasilla has been supportive of MATI's move to Wasilla these past two years. We appreciate the grant of \$10,000 for tourism promotion for this year.

At the present time the majority of large outdoor objects have been relocated. Most of the ground work is finished. The focus now is on the exhibition building. The foundation is completed and the building is standing.

These funds will be used to purchase materials needed to install plumbing, electrical, heat, insulation, interior walls. Labor will be provided by MATI and volunteers.

If you need further information or have questions, please feel free to call me at 745-4493 or 745-5277. Thank you.

Sincerely,

Josie Wallace
Director
