Remedial Information Memo

Subject: Corrected Museum Dept. prospective land needs information for Council Information Memo No. 95-38.

Date: October 23, 1995

From: John Cooper, Museum Department.

To: Wasilla City Council, Mayor John Stein.

Within Information Memorandum No. 95-38 there are three property listings for the Museum Dept.. That listed as the Vincent property is actually .16 of an acre, not .32 of an acre. Also, missed in that list is the Kurt Schreiber property that comprises .48 of an acre.

I turned this information in late in the "packet process" and apologize for any confusion or error it might have caused.

Thank you for your time and attention.

John Cooper
