### INFORMATION MEMORANDUM NO. 96-42

To: Council  
From: Mayor Palin  
Date: December 4, 1996  
Subject: Permitting Policy for Snowmachine Races

There has been a policy in place for many years regarding the permitting process for snowmachine races. (WMC Chapter 13.02) The policy states that races held on Lake Lucille require a permit. There has been no change in policy.

I am sure you are aware of my position on local recreational opportunities. Snowmachining, skiing, dog sledding and many other forms of outdoor recreation are very much a part of the unique and active Alaskan lifestyle so many of us choose to enjoy in our winter city.

If Council chooses to amend the existing policy, I would encourage the formation of a committee to recommend any changes.

Solicitation for volunteers for the Winter Opportunities in Wasilla Committee (or WOW) should begin as soon as possible if changes are desired this winter season.

Sarah H. Palin, Mayor
