

SUBJECT: Assessment Code Amendment re Driveway Apron Permit Fees

REQUESTED BY: Finance & Public Works

PREPARED BY: Finance

DATE: November 16, 1998

FOR AGENDA OF: November 23, 1998

SUMMARY:

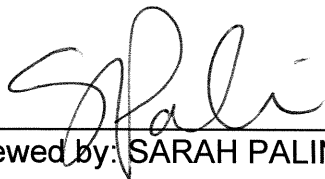

The intent of Ordinance 98-62 is to modify the assessment code, WMC 2.60.030 (make it clearer) to help the Public Works Department bring all property owners into compliance with the driveway apron permit requirements of WMC 14.15. during a LID paving project. The idea is to clearly identify driveway apron permit fees as an allowable cost under WMC 2.60.030., which may be assessed to individual lots as part of the assessment roll of a paving local improvement district

The secondary intent is to bring the assessment code language into conformity with the Driveway Apron Code, WMC 14.15.

FISCAL IMPACT: X No Yes, amount requested: \$ Fund:

RECOMMENDED ACTION: Introduction of Ordinance Serial No. 98-62.
