A Resolution
in Support of
a
Library Service Area

WHEREAS the Wasilla Friends of Library are aware that libraries are an integral part of any viable and exemplary community and

WHEREAS the Wasilla Public Library is the fourth busiest library in the State of Alaska, being used by a wide periphery of the area population and

WHEREAS it is necessary for the Wasilla Public Library to expand to fit the needs of a community that incorporates the fastest growing area in the State and

WHEREAS the present funding formula does not meet those needs

THEREFORE BE IT RESOLVED that the Wasilla Friends of Library supports the Wasilla City Council pursuing the service area concept for the Wasilla Public Library.
