FOR AGENDA OF: May 27, 1998

SUMMARY:

Council Member Chappel is presenting Ordinance Serial No. 98-27 for your consideration.

In recent months, various council members and city staff have received numerous complaints from city residents and property owners regarding the unauthorized use of public and private property for skateboarding. Public and private improvements have been damaged by the inappropriate operation of skateboards.

Council Member Chappel is proposing to adopt certain regulations to promote the safe operation of skateboards and to protect the public and private property from damage through the inappropriate use of these and similar devices.

FISCAL IMPACT: No Yes, amount requested: \$ Fund:

RECOMMENDED ACTION: Introduction of Ordinance Serial No. 98-27.

MAYOR REVIEW/COMMENTS: *I receive more complaints regarding skateboard problems than any other nuisance complaint, especially from business owners (our tax collectors) and customers of those businesses. (our tax payers). We're providing the skateboarders a facility, I request favorable consideration of this ordinance.*
