

SUBJECT: REVISION TO VOTER QUALIFICATION IN THE TITLE 18, ELECTIONS

REQUESTED AND PREPARED BY: K. VanGorder

DATE: May 18, 1999

FOR AGENDA OF: May 24, 1999

SUMMARY:

In preparing election materials for the upcoming election, it was discovered that subsection 18.10.010(A)(4) was amended incorrectly during the last election code revision a few weeks ago.

My intent is to allow all registered voters that live in the city, whether they live in a certain precinct or not, to be allowed to vote in city elections. Since our current election process allows for registered voters to vote on an areawide basis.

The proposed amendment corrects the language and strikes the words "and the precinct in which the person seeks to vote." This will make subsections (4) and (5) consistent with one another.
