

SUBJECT: Wasilla Area Seniors, Inc. Board of Directors

PREPARED BY: Administration

DATE: January 4, 2000

FOR AGENDA OF: January 10, 2000

SUMMARY:

Is anyone interested in serving on the Wasilla Area Seniors, Inc. board of directors? The city was given a board seat approximately five years ago. I occupied the seat as a councilmember and continue to occupy it as mayor. It is an unpaid position, of course, and not too time consuming, but they need fresh blood from the city and I'm not producing it.

I intend to ask WASI to release me from serving on their board and will recommend that they not keep a seat open for a city elected official unless a councilmember wishes to become a board member.

I've asked before, I'll ask again: Does anyone want to become a WASI board member?

FISCAL IMPACT: No Yes, amount requested: \$ Fund:

RECOMMENDED ACTION: Council consideration.
