Re: Renewal of City Attorney Contract

Dear Mayor Palin and Council Members,

The City Attorney contract contains a clause pursuant to which the contract may be extended for an additional three years. This clause was never discussed when the matter came up at a recent council meeting.

This letter will confirm that I am certainly willing to extend the contract for an additional three years as provided in the original contract.

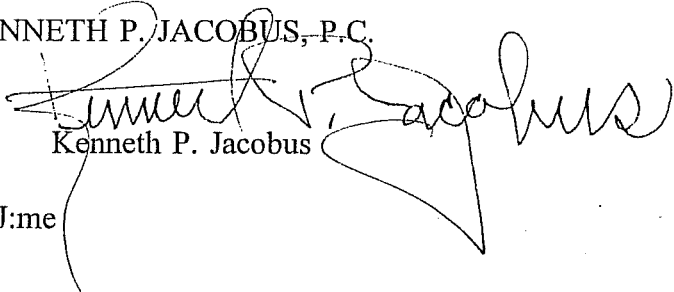

The original three years has passed much too fast, and the next three years are going to continue to be an interesting and exciting time for the City of Wasilla. I would be pleased to continue to assist the City for another three years.

If you have any particular questions, please let me know.

Very truly yours,

KENNETH P. JACOBUS, P.C.
